**PURPOSE**

**CARING  
for LEADERS**

Since the beginning of the conflict in Ukraine, many of our partners have responded to the rise in food insecurity and the severe lack of reliable heat and electricity affecting millions of homes. Because of your generous support, we have been able to provide food to many individuals and help keep homes warm.

Thanks to your generosity in 2025, Mission Partners increased the number of meals provided from 7,000 to 8,000. Through food bags, hot meal programs, and pastoral home visits—where families received groceries, firewood, prayer, and counselling—your support helped people endure difficult conditions and reminded them they are not forgotten.

## Feeding and Bringing Hope to the Vulnerable

In Boryspil, Ukraine, Hope Church operates a weekly Hot Lunch program after Sunday Service. They also deliver bags of urgently needed groceries to refugees and homebound seniors. This past September, Pastor Oleksandr shared with us how vital it has been to have your support for the hot lunch program.

"Since the beginning of war, we feed people every Sunday after service. Every person in need of food is welcome to have a hot lunch. It is a time of fellowship, and sharing the Gospel. Many hearts are warmed and they join our family. Many are refugees from different parts of Ukraine. It wouldn't be possible without help from MPI. We thank MPI for helping us with this program. Together we can feed people and share Jesus. Praise God."

Hot Lunch at Hope Church Boryspil

In 2025, your support enabled over 1200 children and youth to attend Bible clubs, conferences, camps, and holiday celebrations from 30 communities around Ukraine, Belarus, Poland, and Moldova!

These outreach programs are combined with ongoing Christian mentorship and discipleship for families. Throughout 2025 many relationships were built as local ministry partners served vulnerable families with our uniquely combined approach of poverty alleviation and Biblical discipleship.

Youth Camp in Szczecin, Poland

## Restoring Hope to Kids Through Bible Clubs

In the small village of Stepove, the God's Gift team serves children and families through their weekly Bible Club, their annual summer camps, and through pastoral counselling and home visits.

Julia and her five children live in nearby Salivonky. Rhema, age 13 (second from the right below), and her siblings attend the Bible Club. This is what she says: *"My dream was to make new friends and to have a safe home. Pastor Vasily and Olga visited, brought food, and shared the story of Jesus. Every week they come and take us to the Club and give us snacks. I look forward to the weekly Bible lessons. I've learned to pray for my family. I thank God for the caring people in Canada who help us!"*

"We have seen how families in these villages have changed over the last five years. Many of the children we've served are now young adults with homes of their own. Rather than neglect and social chaos, these young people have created stable, safe, loving homes filled with the presence of Jesus. The cycle of systemic poverty has been broken"

*Pastor Vasily*

Julia and her family in Stepove, Ukraine

Mission Partners core identity is a relationship driven ministry. We work together for Kingdom purposes. As we carry out our mission to strengthen and restore families in East-Central Europe, we rely heavily on the vision, the heart, and the incredibly hard work of our local ministry partners. They are the ones who serve the most vulnerable in their communities. It is their hands that serve food, their feet that travel to visit the hurting, and their mouths that share the healing words of Jesus.

As a part of our efforts to strengthen families, we support the ministry leaders that are diligently serving their communities by supplying a small financial supplement and responding to their urgent needs. With your help, we have continued to support ministry leaders across Ukraine, Belarus, and Poland.

## THANK YOU from our MINISTRY PARTNERS

*Your support was so needed. My son had problems with his teeth. It cost us a lot of money to get them fixed. With your help the financial burden was a little lighter for our family. Thank You!*

*Vitaly*

## 2025 Financials

We praise God that he has brought us through 2025! God is blessing us and has enabled us through the generosity of our supporters to impact many lives. Please note that Mission Partners 2025 Financial Statements will be posted to our website by spring of 2026. [www.mpiconnect.org/accountability](http://www.mpiconnect.org/accountability)
